**NOTES:**

1 . The Ministry of Corporate Affairs ("MCA") inter-alia vide its General Circular Nos. 14/ 2020 dated April 8, 2020 and 17/2020 dated April 13, 2020, followed by General Circular Nos. 20/2020 dated May 5, 2020, and subsequent circulars issued in this regard, the latest being 10/2022 dated December 28, 2022 (collectively referred to as "MCA Circulars") has permitted the holding of the annual general meeting through Video Conferencing ("VC") or through other audio-visual means ("OAVM"), without the physical presence of the Members at a common venue.

In compliance with the provisions of the Companies Act, 2013 ("the Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and MCA Circulars, the 30th Annual General Meeting ("Meeting" or "AGM") of the Company is being held through VC / OAVM on Friday, September 15, 2023, at 11:00 a.m. (IST). The proceedings of the AGM deemed to be conducted at the Registered Office of the Company situated at Unit No 283-287, "F" Wing 2 nd Floor, Solaris-I, Saki Vihar Road, Andheri(East), Mumbai-400072.

2. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF / HERSELF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. Since this AGM is being held pursuant to MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with in line with the MCA Circulars and SEBI Circulars. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, Body Corporates are entitled to appoint authorized representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting; however they are required to send a scanned copy (PDF/JPG Format) of its Board Resolution authorizing their representative to attend the AGM as stated above. The deemed venue for the 30<sup>th</sup> Annual General Meeting shall be the Registered Office of the Company.

Pursuant to SEBI Listing Regulations and as per Secretarial Standard 2 on General Meetings , a profile of the Directors who are proposed to appointed/ re-appointed is set out in the Explanatory Statement.

The Register of Members of the Company will remain closed from 9<sup>th</sup> September, 2023 to 15<sup>th</sup> September, 2023 both days inclusive (Book Closure Date) for the purpose of 30<sup>th</sup> Annual General Meeting.

In compliance with the various MCA Circulars and SEBI Circular, the Notice of AGM is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories and with the Registrar and Transfer Agents of the Company. Members may note that the Notice of AGM and the Annual Report 2023 will also be available on the Company's website at [www.kaiserpress.com](http://www.kaiserpress.com) and website of the Stock Exchange [www.bseindia.com](http://www.bseindia.com) and on the website of the CDSL [www.evotingindia.com](http://www.evotingindia.com) unless the Members have requested for a physical copy of the same.

Attendance of the Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.

For registration of email id for obtaining Annual Report and e-voting and User ID/password updation of bank account mandates is annexed to this Notice use the link <http://www.purvashare.com/email>

**INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE AGM THROUGH VC/OAVM ARE AS UNDER:**

Shareholder will be provided with a facility to attend the Meeting through VC/OAVM through the CDSL e-voting system. Shareholders may access the same at <https://www.evotingindia.com> under Shareholders/Members login by using the remote e-voting credentials. The link for VC/OAVM will be available in Shareholders/members login where the EVSN of the Company will be displayed Members who do not have the User ID and Password for E-voting or have forgotten the User ID and

Password may retrieve the same by following the remote E-voting instructions mentioned in the Notice. Further Members can also use the OTP based login for logging into the E-voting system of CDSL.

Facility of joining the AGM through VC/OAVM shall open 15 (fifteen ) minutes before the time scheduled for the AGM and will be available for Members on first come first served basis and the Company may close the window for joining the VC/OAVM Facility 15 (fifteen) minutes after the scheduled time to start the AGM.

Members may note that the VC/OAVM Facility allows participation of at least 1,000 Members on a first come first served basis. The large shareholders (i.e. shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholder Relationship Committee, Auditors, etc. can attend the 30th AGM without any restriction on account of first-come-first-served principle.

Shareholders are encouraged to join the Meeting through Laptops / I Pads for better experience.

Further Shareholders will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the Meeting.

Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.

Members who need assistance before or during the AGM can contact CDSL (CDSL details).

Members who would like to express their views or ask questions during the AGM may register themselves as a speaker by sending their request from their registered email address mentioning their name, DP ID and Client ID / folio number, PAN, mobile number at [compliancekaiser@gmail.com](mailto:compliancekaiser@gmail.com) upto 10<sup>th</sup> September 2023. Those members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM. The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM.

The Members are requested to notify any change in their registered address / residential status immediately to the Registrar and Share Transfer Agents; M/S. Purva Shareregistry (India) Pvt. Ltd., (hereinafter referred to as "Purva") Unit No. 9, Shiv Shakti Indl. Estate, J.R. Boricha Marg, Off N. M. Joshi Marg, Near Lodha Excelus, Lower Parel (E), Mumbai - 400 011. In case of Dematerialized Shares, the aforesaid information should be given to the Depository Participant with whom the Member has an account.

The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are therefore requested to submit their PAN to the Depository Participants with whom they maintain their demat accounts. Members holding shares in physical form should submit their PAN to the Registrar and Transfer Agent / Company.

Members may note that the Rule 11 of the Companies (Accounts) Rules, 2014; permits circulation of Annual Report to shareholders through electronic means to such of the Members whose e-mail addresses are registered with NSDL or CDSL or the shareholders who have registered their E-mail ID with the Company and physical copies to those shareholders whose e-mail IDs have not been either registered with the Company or with the depositories, if requested by them.

Keeping in view the Green Initiative taken by the Government and to save the cost involved in printing and dispatch; Members are requested to register their e-mail addresses with the DPs, in case shares are

held in dematerialized form and with Purva Sharegistry (India) Pvt. Ltd in case the shares are held in physical form and also intimate changes, if any, in their registered e-mail addresses to the Company / DPs, from time to time.

Please note that as a Member of the Company, you will always be entitled to receive all communications in Physical form, upon request.

SEBI through its circular dated December 3, 2018; has instructed that the securities of the Listed Companies can be transferred only in dematerialized form from April 1, 2019. In view of the above and to avail various benefits of dematerialization, Members are advised to dematerialize shares held by them in physical form.

Members holding shares in physical form; under single name are advised to make nomination in respect of their shareholding in the Company. The Nomination Form SH-13 prescribed by the Government can be obtained from the Registrar and Share Transfer Agent. Further, Members desirous of cancelling/varying nomination are requested to send their requests in Form No. SH-14, to Purva Sharegistry. These forms will be made available on request.

In case of joint holders attending the Annual General Meeting, the Member whose name appears as the first holder in the order of names as per The Register of Members of the company will be entitled to vote at the AGM.

All documents referred to in the accompanying Notice and the Explanatory statement shall be open for inspection at the Registered Office of the Company during normal business hours (10:00 A.M. to 5:00 P.M.) on all working days except Saturdays, Sundays and Holidays, up to and including the date of the 30<sup>th</sup> Annual General Meeting of the Company.

In compliance with the provisions of Section 108 of the Companies Act, 2013 and the Rules framed thereunder, as amended from time to time and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015; the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by CDSL on all the resolutions set forth in this Notice. All Shareholders holding Shares as on 8<sup>th</sup> September, 2023 being the cut-off date [i.e. record date for the purpose of Rule 20(2)(ii) of the Companies (Management and Administration) Rules, 2015] fixed for determining voting rights of Members will be entitled to participate in E-voting process. The instructions for e-voting are given here in below. Resolution(s) passed by Members through e-voting are deemed to have been passed as if they have been passed at the 30<sup>th</sup> AGM.

The Company has engaged the services of Central Depository Services (India) Limited ("CDSL") to provide e-voting facility to the Members.

The Board vide its Resolution passed on 17<sup>th</sup> July, 2023 had appointed Mr. G.S. Jambekar Practicing Company Secretaries (Membership No. FCS 1569 CP N0. 3735) as the Scrutinizer for conducting the remote E-voting and Ballot form process in accordance with the law and in a fair and transparent manner.

The Chairman shall, after the conclusion of the discussion(s) on the resolutions on which voting is to be held at the 30<sup>th</sup> AGM, shall allow voting with the assistance of the scrutinizer.

Members participating at the AGM, who have not already cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, will be eligible to exercise their right to vote during such proceedings of the AGM. The Members who have cast their vote by remote e-voting prior to the AGM may also attend/participate in the AGM through VC/OAVM, but shall not be entitled to cast their vote again.

Members may contact Mrs Jinal Patani Company Secretary Cum Compliance Officer of the Company

for any grievances connected with electronic means at the Registered office of the Company i.e. at 283-287, F wing, 2<sup>nd</sup> floor, Solaris-I, Saki Vihar Road, Andheri(E), Mumbai-400072.

The Scrutinizer shall, after the conclusion of the voting at the 30<sup>th</sup> AGM, first count the votes cast at the meeting and then unblock the votes cast through remote e-voting. In the presence of atleast two witnesses not in the employment of the Company and shall make not later than 48 hours of the conclusion of the 30<sup>th</sup>AGM as envisaged under Regulation 44 of SEBI Listing Regulations, 2015; a consolidated Scrutinizer's report of the total votes cast in favour or against, if any, to the Chairperson of Company/Meeting in writing, who shall counter sign the same and declare the results of the voting forth with. The results declared with the Scrutinizer's report shall be placed on the website of the Company and will be uploaded on the BSE Limited.

Members who are holding shares in physical form or who have not registered their email address with the Company/Depository or any person who acquires shares of the Company and becomes a Member of the Company after the Notice has been sent electronically by the Company, and holds shares as on the cut-off date i.e., **8<sup>th</sup> September 2023**; such Member may obtain the UserID and password by sending a request at [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com) or [support@purvashare.com](mailto:support@purvashare.com) However if a Member is already registered with CDSL for e-voting then existing User ID and password can be used for casting vote.

If any Votes are cast by the shareholders through the e-voting available during the EGM/AGM and if the same shareholders have not participated in the meeting through VC/OAVM facility, then the votes cast by such shareholders shall be considered invalid as the facility of e-voting during the meeting is available only to the shareholders attending the meeting.

#### PROCESS AND MANNER FOR MEMBERS OPTING FOR E- VOTING

The instructions for members for voting electronically are as under:-

The voting period begins at 9.00 a.m. on 12<sup>th</sup> September, 2023 and ends at 5.00 p.m. on 14<sup>th</sup> September, 2023. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 08<sup>th</sup> September, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. The shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- (i) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

Type of share holders	Login Method
Individual Shareholders holding securities in Demat mode with <b>CDSL</b>	<ol style="list-style-type: none"> <li>1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. <p>Individual Shareholders holding securities in Demat mode with <b>NSDL</b></p>	<p>Members facing any technical issue in login can contact NSDL helpdesk by sending a request at <a href="mailto:evoting@nsdl.co.in">evoting@nsdl.co.in</a> or call at toll free no.: 1800 1020 990 and 1800 22 44 30</p>

**Login method for e-Voting and joining virtual meeting for shareholders other than individual shareholders holding in Demat form & physical shareholders.**

- (i) The shareholders should log on to the e-voting website [www.evotingindia.com](http://www.evotingindia.com) during the voting period.
- (ii) Click on "Shareholders" tab.

- (iii) Now, select the "Kaiser Corporation Limited " from the drop down menu and click on "SUBMIT".
- (iv) Now, Enter your User ID.
- For CDSL: 16 digits beneficiary ID,
  - For NSDL: 8 Character DPID followed by 8 Digits Client ID,
  - Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (v) Next enter the Image Verification code/Captcha code as displayed and Click on Login.
- (vi) If you are holding shares in demat form and had logged on to [www.evotingindia.com](http://www.evotingindia.com) and cast your vote earlier for EVSN of any Company, then your existing password is to be used.
- (vii) If you are a first time user follow the steps given below:

PAN	For Members holding shares in Demat Form and Physical Form Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)  Members who have not updated their PAN with the Company/Depository Participant are requested to use the the sequence number in their PAN Field sent by RTA or contact RTA.
DOB	Enter the Date of Birth as recorded in your demat account maintained with the DP of CDSL or with the company records for the said demat account or folio in dd/mm/yyyy format.

- (viii) After entering these details appropriately, click on "SUBMIT" tab.
- (ix) Members holding shares in physical form will then directly reach the Companys election screen. However, members holding shares in demat form will now reach 'Password Creation' menu where in they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (x) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xi) Click on the EVSN for the relevant Kaiser Corporation Limited on which you choose to vote.
- (xii) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or No as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

- (xiii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xiv) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xvi) You can also take out print of the voting done by you by clicking on "Click here to print" option on the Voting page.
- (xvii) If Demat account holder has forgotten the same password then enter the UserID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xviii) Note for Institutional Shareholders
- Institutional shareholders (i.e. other than Individuals, HUF, and NRI etc.) are required to log on to <https://www.evotingindia.co.in> and register themselves as Corporate.
  - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com)
  - After receiving the login details they have to create compliance user using the admin login and password. The Compliance user would be able to link the account(s) for which they wish to vote on.
  - The list of accounts should be mailed to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com) and on approval of the accounts they would be able to cast their vote.
  - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

Shareholders can also cast their vote using CDSL's mobile app "m-Voting". The m-Voting app can be downloaded from respective Store. Please follow the instructions as prompted by the mobile app while Remote Voting on your mobile.

If you have any queries or issues regarding attending AGM & e-Voting from the e-Voting System, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at [www.evotingindia.com](http://www.evotingindia.com), under help section or write an email to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com) or contact on (022-23058738) or contact on (022-23058543) or contact on (022-23058542).

All grievances connected with the facility for voting by electronic means may be addressed to Mr. Rakesh Dalvi, Manager, (CDSL,) Central Depository Services (India) Limited, A Wing, 25th Floor, Marathon Futurex, Mafatlal Mill Compounds, NM Joshi Marg, Lower Parel (East), Mumbai-400013 or send an email to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com) or call on 022-23058542/43.

**PROCESS FOR THOSE SHAREHOLDERS WHOSE EMAIL ADDRESSES ARE NOT REGISTERED WITH THE DEPOSITORIES FOR OBTAINING LOGIN CREDENTIALS FOR E-VOTING FOR THE RESOLUTIONS PROPOSED IN THIS NOTICE :**

1. For Physical shareholders - please provide necessary details like Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to **Company/RTA email id**.
2. For Demat shareholders - please provide Demat account details (CDSL-16 digit beneficiary ID or NSDL-16 digit DPID + CLID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to **Company/RTA email id**.

**Other Instructions:**

1. The e-voting period commences only at 9.00 a.m. on 12<sup>th</sup> September, 2023 and ends at 5.00 p.m. on 14<sup>th</sup> September 2023. During this period, members of the Company, holding shares either in physical form or in dematerialized form, as on 8<sup>th</sup> September, 2023, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the shareholder, the shareholder shall not be allowed to change it subsequently.
2. The voting rights of members shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date 8<sup>th</sup> September, 2023.
3. Mr. G S Jambekar Practicing Company Secretary has been appointed as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.
4. The Scrutinizer shall, within a period not exceeding two working days from the conclusion of the e-voting period, unblock the votes in the presence of at least two witnesses not in the employment of the Company and make a Scrutinizer's Report of the votes cast in favour or against, if any, forthwith to the Chairperson of the Company.
5. A member can opt for only one mode of voting i.e. either through e-voting or by Ballot. If a member casts votes by both modes, then voting done through e-voting shall prevail and Ballot shall be treated as invalid.
6. All grievances connected with the facility for voting by electronic means may be addressed to Mr. Rakesh Dalvi, Sr. Manager, (CDSL) Central Depository Services (India) Limited, A Wing, 25th Floor, Marathon Futurex, Mafatlal Mill Compounds, N M Joshi Marg, Lower Parel (East), Mumbai – 400013 or send an email to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com) or call on 022-23058542/43

**CONSOLIDATED:**

Your Company's consolidated total income was to the tune of Rs.2038.27 lakhs compared to the consolidated income of Rs.3320.55 lakhs for the previous year with the net profit of Rs.25.31 lakhs compared to the net Profit of Rs.97.85 lakhs for the previous year. The Turnover and the profitability has decreased as compared to the previous year on account of reduction in the business transactions coupled with the adverse Government policies in the sector in which your company operates, however your Directors are confident that the company will be able to generate higher turnover and the higher Profitability in the current year compared to the previous year. Your Directors are taking corrective steps to increase the business activities with the control over the expenses and trying to increase its products in the current year.

**STANDALONE:**

The standalone total income was to the tune of Rs.59.75 lakhs compared to the standalone income of Rs.59.14 lakhs for the previous year which has been increased marginally.

Your company with its subsidiary is presently in the business of Compounding for Turnkey project management, engineering services and printing of labels, packaging materials, Magazines and articles of stationery, however its printing business is not giving any proper results and hence your Directors have already taken corrective steps and has been already concentrating its other lucrative business activities like Turnkey projects.

**DIVIDEND:**

Your Directors do not recommend any dividend for the year ended March 31, 2023.

**QUALITY INITIATIVES**

The Company continues to strengthen its commitment to the highest levels of quality, superior customer experience, best-in-class service management, robust information security and privacy practices and mature business continuity management.

The relevance of Kaiser " integrated Quality Management System (iQMS™) is continually evaluated for new service offerings, emerging delivery methodologies, industry best practices and latest technologies, and adequately upgraded to provide outstanding value and experience to its customers.

**DEPOSITS FROM PUBLIC**

The Company has not accepted any deposits from public and as such, no amount on account of principal or interest on deposits from public was outstanding as on the date of the balance sheet.

**CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUT GO :**

The particulars required to be stated as per the provisions of Section134 (3) (m) of The Companies Act, 2013 relating to conservation of energy and technology absorption do not apply to your Company.

**FOREIGN EXCHANGE EARNINGS AND OUTGO:**

Foreign Exchange Earnings: NIL

Foreign Exchange Out go: NIL

**DEPOSITORY SYSTEM:**

Details of the Depository System are given in the section 'Additional Information' which forms a part of the Corporate Governance Report and is attached with the Annual Accounts.

**DIRECTORS:**

As per the provisions of Section 152 of The Companies Act 2013 Mr. Bhushanlal Desraj Arora retires by rotation and being eligible for appointment offers himself for re-appointment.

All the Independent Directors of the Company comply with the requirements as stated in the Companies Act, 2013 in regard to their appointment.

**ANNUAL EVALUATION OF BOARD PERFORMANCE AND PERFORMANCE OF ITS COMMITTEES AND OF INDIVIDUAL DIRECTORS**

Pursuant to the provisions of the Act, the Board of Directors has carried out an annual evaluation of its own performance, Board committees and individual Directors.

The performance of the Board was evaluated by the Board after seeking inputs from all the directors on the basis of criteria such as the board composition and structure effectiveness of Board process, participation in the long-term strategic planning, information, functioning etc.

The performance of the Committees was evaluated by the Board after seeking in puts from the Committee members on the basis of the criteria such as the composition of committees, effectiveness of Committee meetings, etc.

The Board reviewed the performance of the Individual Directors on the basis of the criteria such as the contribution of the Individual Director to the Board and committee meetings, preparedness on the issues to be discussed, meaning full and constructive contribution and inputs in meetings, etc. In addition, the Chairman was also evaluated on the key aspects of his role by other Board members.

A separate meeting of Independent Directors was convened in the month of January, 2023 to discuss the following aspects:

- i. Review the performance of Non-Independent Directors and the Board as a whole;
- ii. Review the performance of the Chair person of the Company, taking into account the views of Executive and Non-Executive Directors;
- iii. Assess the quality, quantity and time lines off low of information between the Company's Management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

All Independent Directors were present at the Meeting and discussed the above and expressed their satisfaction.

**COMPLIANCE WITH SECRETARIAL STANDARDS**

The Company has complied with the Secretarial Standards issued by the Institute of Company Secretaries of India on Meetings of the Board of Directors and General Meetings.

**TRAINING AND HUMAN RESOURCE MANAGEMENT:**

Morale of our professionals continued to be high. The Company continues to put concerted efforts in recruiting quality people. Development and training programs are under taken were key focus is being given to are as being employee development, growth and satisfaction along with employee relations during the year. The relationship between management and employees continues to be one of mutual respect, appreciation and cordial.

**AUDITORS:**

**FORM NO. MR-3**

**Secretarial Audit Report**

**for the financial year ended 31st March, 2023.**

[Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members,  
**Kaiser Corporation Limited**

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Kaiser Corporation Limited** (hereinafter called 'the Company'). Secretarial audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, the information provided by the Company, its officers, agents and authorised representatives during the conduct of Secretarial Audit, the explanations and clarifications given to us and the representations made by the Management, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2023, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on 31st March, 2023 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made there under;
- ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

During the year under review no Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings were made.

- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

(a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

Complied with the provisions of the Regulations.

- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;

Complied with the provisions of the Regulations.

- (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

No share or debenture issue was made during the audit period.

- (d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

The Company did not make any issue of capital during the year under review.

- (e) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;

The Company has not issued Stock Options during the Audit period.

- (f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

No debt securities have been issued during the Audit period.

- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;

No delisting application has been made by the Company during the Audit period.

AND

- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

No Buyback of shares has been done by the Company during the Audit period.

Other laws applicable specifically to the Company:

- a) The Employees Provident Fund Act, (Voluntarily accepted),
- b) The Maharashtra Profession and Callings Act,
- c) Maharashtra VATS Act,
- d) The Central Sales Tax Act.
- e) Goods and Services Tax. (GST) Act, 2016
- f) Income Tax Act, 1961
- g) Maharashtra Labour Welfare Act.
- h) Bombay Shops & Establishment Act.
- i) The Employees State Insurance Act. (Voluntarily accepted).
- j) The Payment of Bonus Act.

We have examined and verified the compliance of the above laws.

We have also examined compliance with the applicable clauses of the following:

- (I) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement/Regulations entered into by the Company with Stock Exchange(s) Bombay.

The Company is not engaged in any manufacturing process and has no factory and therefore, the acts such as Factories Act, Industrial Disputes Act, Workmen's Compensation Act, Trade Unions Act, Employees Standing Orders Act, Child Labour (Prohibition and Regulation) Act, 1986 and other labour laws and Acts are not applicable.

In view of total number of employees being below 10 the following Acts are not applicable:

- i) Payment of Gratuity Act 1972 ii) Maternity Benefit Act, iii) Minimum Wages Act.-1948 iv) Payment of Wages Act, 1936.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

There are no non compliances / observations / audit qualification, reservation or adverse remarks in respect of the above report.

**We further report that:**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. No changes in the composition of the Board of Directors took place during the period under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for

seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of Directors as the case may be.

**We further report that** there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. This Report is to be read with our letter of even date which is annexed as Annexure A and forms an integral part of this report.

**We further report that** during the audit period the company has not;

- (i) Issued any Public/Rights/Preferential issue of shares/ debentures/ equity, etc.
- (ii) Done any redemption / buy-back of securities.
- (iii) No major decisions have been taken by the members in pursuance to section 180 of the Companies Act, 2013 .
- (iv) No decision as to any Merger / Amalgamation / Reconstruction, etc. was taken;
- (v) No decision for any foreign technical collaboration was taken.

**KAISER CORPORATION LTD.**  
**CORPORATE GOVERNANCE REPORT FOR THE YEAR 2022-2023**

**COMPANY'S PHILOSOPHY**

The essence of Corporate Governance is about maintaining the right balance between economic, social, individual and community goals. At Kaiser, good corporate governance is a way of life and the way we do our business, encompassing every day's activities and is enshrined as a part of our way of working. The Company is focused on enhancement of long-term value creation for all stakeholders without compromising on integrity, societal obligations, environment and regulatory compliances. Our actions are governed by our values and principles, which are reinforced at all levels of the organisation. These principles have been and will continue to be our guiding force in future. For your Company, good corporate governance is a synonym for sound management, transparency and adequate disclosure, encompassing good corporate practices, procedures, standards and implicit rules which propel a company to take sound decisions. As a Company with a strong sense of values and commitment, Kaiser believes that turnover must go hand in hand with a sense of responsibility towards all stakeholders. The cardinal principles such as independence, accountability, responsibility, transparency, trusteeship and disclosure serve as means for implementing the philosophy of Corporate Governance. This philosophy is reflected and practised through the Kaiser Code of Conduct, the Kaiser Business Excellence Model and the Kaiser Code of Conduct for Prevention of Insider Trading and Code of Corporate Disclosure Practices. Further, these codes allow the Board to make decisions that are independent of the management. The Company is committed to focus its energies and resources in creating and positively leveraging shareholders' wealth and, at the same time, safeguarding the interests of all stakeholders. This is our path to sustainable and profitable existence and growth. The Company has adopted Governance Guidelines to cover aspects related to composition and role of the Board, Chairman and Directors, Board diversity, Director's term, retirement age and committees of the Board. It also covers aspects relating to nomination, appointment, induction of Directors, Director's remuneration, subsidiary oversight and Board effectiveness review.

The Company is in compliance with the requirements stipulated under Regulation 17 to 27 read with Schedule V and clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), as amended from time to time and as applicable, with regard to Corporate Governance including relaxations granted by the Ministry of Corporate Affairs (MCA) and Securities and Exchange Board of India (SEBI) from time to time. Kaiser has always adhered to principles and values that align with the ideas of our Promoters. At Kaiser we treasure our values and are committed to sustainable growth. The key values of the Company's culture are SCALE (Safety, Care, Agility, Learning, Ethics). The Company is committed to driving these values and strives to set the highest standards in governance and business ethics.

As per Regulation 15(2) of the Listing Regulation 2015; the compliance with the Corporate Governance provisions as specified in regulations 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27 and clauses (b) to (i) of sub regulation (2) of regulation 46 and para C, D and E of Schedule V shall not apply, in respect of-

(a) The listed entity having paid up Equity Share Capital not exceeding Rupees ten Crore and net worth not exceeding rupees twenty five crore, as on the last day of the previous financial year.

The Company's Authorized Share Capital as on 31<sup>st</sup> March, 2023 is Rs.10 crores out of which the Paid-up Share Capital of the Company is Rs.5,26,21,020/- divided into 52,621,020 Equity Shares of Rs.1/- each and the net worth is also less than Rupees 25 crores.

In view of the provisions mentioned herein above these Regulations are not applicable to the Company. But with an intention of applying good Corporate Governance practices in the affairs of the Company, we have adopted every aspect of the Corporate Governance Norms in our business activities, as mandated under the SEBI Listing Regulations, 2015.

## 1. CODE OF GOVERNANCE

The Company's governance framework is based on the following principles:

- ☒ Appropriate composition and size of the Board, with all the Members bringing in expertise in their respective domains;
- ☒ Availability of information to the Members of the Board and Board Committees to enable them to discharge their fiduciary duties;
- ☒ Timely disclosure of material, operational and financial information to the Stakeholders;
- ☒ Proper business conduct by the Board, Senior Management and employee

## 1. THE BOARD OF DIRECTORS

The Board is the focal point and custodian of corporate governance for the Company. The Company recognizes and embraces the benefits of having a diverse Board and sees increasing diversity at Board level as an essential element in maintaining a competitive advantage. A truly diverse Board will include and make good use of differences in the skills, regional and industry experience, background, gender and other distinctions between directors. These differences will be considered in determining the optimum composition of the Board and, when possible, will be balanced appropriately.

The Board of Directors ("Board") is at the core of our corporate governance practice and oversees and ensures that the Management serves and protects the long-term interest of all our Stakeholders. The Board has a fiduciary relationship in ensuring that the rights of Stakeholders are protected

Your Company's functions are governed by professional Directors under whose directions / guidance the Company has flourished so far in its activities. The Board of Directors of the Company has a proper blend of Independent and Non-Independent Directors in line with the provisions of the Companies Act, 2013('the Act') and the ('SEBI Listing Regulations') as amended from time to time.

The Company has a strong and diverse Board of Directors, independent of management with sufficient expertise to oversee corporate management on behalf of the Company's share holders. The Board reviews and approves corporate strategies that are intended to build sustainable long-term value. In making decisions, the Board considers the interests of all the stakeholders of the Company such as employees, customers, suppliers and the community in which the Company operates.

The Board comprises of Four Directors of which one Director is an Executive Director and three Directors are Non-Executive Independent Directors out of which one is a woman Director which commensurate with the size of the Company, complexity and nature of various underlying business activities.

Board of Directors strictly follows the Company's Code of Conduct. The Board periodically reviews compliance reports of all laws applicable to the Company as well as take step store ctify instances of any non-compliance.

## 2. COMPOSITION OF THE BOARD

The Chair person of the Board is an Executive Director. All the Independent Directors have confirmed that they meet 'Independence' criteria as per Regulation 16(1) (b) of the SEBI Listing Regulations read with Section 149(6) of the Act.

None of the Independent Directors of the Company are related to each other. The appointment of Executive Director including the tenure and terms of remuneration has already been approved by the members.

**10. AUDIT QUALIFICATIONS**

During the year under review, there was no qualification in the Auditor's Report on the Company's financial statements.

**11. RECONCILIATION AUDIT**

Mr. G.S. Jambekar (FCS No. 1569 CP No. 3735) Practicing Company Secretary have carried out Reconciliation Audit to reconcile the total admitted Equity Share Capital with the National Securities Depository Limited (NSDL) and the Central Depository Services (India) Limited (CDSL) and the Total Issued and Listed Equity Share Capital. The Reconciliation Audit Report confirms that the Total Issued / Paid-Up Capital is in agreement with the total number of Shares in physical form and the total number of Dematerialized Shares held with NSDL and CDSL.

**12. SECRETARIAL AUDIT**

Mr. G. S. Jambekar (FCSNo.1569CPNo.3735) Practicing Company Secretary have conducted the Secretarial Audit of the Company for the Financial Year 2022-2023. Their Audit Report confirms that the Company has complied with the applicable provisions of the Companies Act, 2013 and the rules made the rounder, Listing Agreements with the Stock Exchange, Listing Regulations, applicable SEBI Regulations and other Laws applicable to the Company. The Secretarial Audit Report forms part of the Board's Report.

### 13. **REQUEST TO SHAREHOLDERS**

Shareholders are requested to follow the general procedure / steps as detailed hereunder thus enabling the Company to serve them efficiently and avoid any risks while dealing in the securities of the Company.

- **Demat of Shares:**

Shareholders are requested to convert their physical holding to demat / electronic form through any of the DPs to avoid any possibility of loss, mutilation etc., of physical share certificates and also to ensure safe and speedy transaction in securities. Any investor who is desirous of transferring shares (which are held in physical form) after April 01, 2019 can do so only after the shares are dematerialized, except for transmission (i.e., transfer of title of shares by way of inheritance / succession) transposition (i.e., re-arrangement / interchanging of the order of name of shareholders) cases.

- **Consolidation of multiple folios:**

Shareholders, who have multiple folios in identical names, are requested to apply for consolidation of such folios and send the relevant share certificates to the Company.

- **Registration of Nominations:**

Section 72 of the Act, 2013 provides facility for making nominations by shareholders in respect of their holding of shares. Such nomination greatly facilitates transmission of shares from the deceased shareholder to his / her nominee without having to go through the process of obtaining succession certificate/probate of the Will, etc.

It would therefore be in the best interest of the shareholders holding shares in physical form registered as a sole holder to make such nominations. Shareholders, who have not availed nomination facility, are requested to avail the same by submitting the nomination in Form SH-13. This form will be made available on request. Investors holding shares in demat form are advised to contact their DPs for making nominations.

- **Updation of address:**

Shareholders are requested to update their addresses registered with the Company, directly through the STA, to receive all communications promptly.

Shareholders, holding shares in electronic form, are requested to deal only with their DPs in respect of change of address and furnishing bank account number, etc.

## MANAGEMENT DISCUSSION & ANALYSIS

### GLOBAL ECONOMIC REVIEW

Over the course of the past year, the global economy has experienced various challenges in the form of geopolitical tension, rising interest rates, high inflation levels. Alongside, the consequences of a sudden surge in COVID-19 cases in China also impacted growth projections.

As per the latest estimates by the International Monetary Fund, the global GDP growth rate is estimated to be 3.4% in CY22 showing resilience towards the recessionary fears. On account of these headwinds, supply chain disruptions were also rampant. Moreover, due to geopolitical conflicts, crude oil prices soared, global trade was impacted and inflationary pressures worsened. To rein in inflation, Central Banks across the world, including the US Federal Reserve, responded with synchronised rate hikes. A stronger boost from pent-up demand in numerous economies or a fall in inflation is expected in the course of 2023. The emerging and developing economies of the world are likely to play a major role in accelerating global economic growth. Another silver lining is the fact that global inflation is likely to decline from 8.8% in C.Y. 2022 to 6.6% in C.Y. 2023 and 4.3% in C.Y. 2024

### INDIAN ECONOMIC OVERVIEW

The Indian economy remained remarkably resilient to global challenges in F.Y. 2022-23. This is evident by robust domestic demand and upbeat investment activity. Sectoral analysis reveals that growth was driven by robust construction activity aided by increased infrastructure investment both by the Central Government and State Governments, which paved the way for large-scale employment opportunities. Building on the gains of first half of the fiscal year, the second half continued to see a gradual upswing in demand and economic activity. While post-covid, private investment recovery is still at a nascent stage, there are early signals, which indicate that India is poised for a stronger investment up cycle in both manufacturing and services sectors. The number of private investment projects under implementation in the manufacturing sector is also steadily growing.

### OUTLOOK

Despite high inflation, the Indian economy has achieved GDP growth of 7.2% in F.Y. 2022-23. Sustained growth in GST collections, electronic toll collections and the volume of e-way bills generated indicate encouraging momentum. Indices of manufacturing activity such as the PMI-manufacturing, the Index of Industrial Production and the Index of Core Industries (ICI) demonstrate that manufacturing activity continues to grow steadily. Indicators of the services sector (UPI transactions, high credit demand) also point towards sustained expansion. To drive the virtuous cycle of infrastructure investment and job creation, the Union Government has considerably increased the capital expenditure outlay to 10 Lakh Crore, which is 33% higher than the previous year. The increase in infrastructure spending, especially in tier II and tier III cities is anticipated to have a substantial effect on the Indian economy, generating new employment opportunities and stimulating growth. Overall, the demand conditions in India remain conducive to supporting economic activity. India faces the coming financial year with confidence imparted by underlying and overall macroeconomic stability, while being on the alert against geo-political and geo-economic risks.

### COMPANY OVERVIEW

Kaiser Corporation Limited through its subsidiary is actively involved in manufacturing of specialized Electronic and engineering services to Pipe, Power plants and Electronic heat industries in India and abroad. The Company through its subsidiary Xicon International Limited is service oriented company which excels in Turnkey projects and systems. The Company's subsidiary Xicon International Limited

is offering services to various domestic and international companies and Corporations like BHEL, TATA Power Projects, ONGC, Linde, Indian Oil, Bharat Petroleum, and various other Multinationals.

### **OPPORTUNITIES, STRATEGIC RESPONSES AND THREATS**

Greatest interest in using Technology to drive business growth and accelerated adoption of Public Cloud and great acceptance of E-Service platform. Overall business activities post pandemic has increased with great opportunities but still the industry has not recovered fully on domestic and international level and the effect of full revival will be reflected after six months.

#### **THREATS :**

Many established businesses and new entrants vying for market share in the industry, which is marked by a high degree of competitiveness. This results in strong pricing intensity, diminished pricing power, and increased marketing and advertising expenditures. Changes in economic conditions, such as inflation or recession, can have a detrimental effect on consumer spending and the demand for the products. This can result in decreased sales and revenue for businesses within the industry.

#### **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:**

There is adequate internal control system in the company through internal Audit and regular operations review with highest and most ethical standards of Quality, Technical Expertise, Consistency and Customization imparted through the experience, training, knowledge and innovative process implementation providing value for money to customers regularly.

The Company through its subsidiary understands the challenges of coping with quality based pricing and helping to meet the objectives in time and on budget.

Periodical physical verification of stocks during the year and adjustment of discrepancies between the physical verification and the books are recorded appropriately.

#### **FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:**

The discussion in this section relates to the Consolidated Financial Reports pertaining to the year that ended on 31<sup>st</sup> March 2023. The Financial Statement of the Company with its subsidiary is prepared in accordance with Ind AS (Referred to as Accounting standards) as prescribed under Section 133 of The Companies Act 2013. Proper Accounting policies while preparing Financial Statements are disclosed in notes to accounts.

Your Company's consolidated total income was to the tune of Rs. 2038.27 lakhs compared to the consolidated income of Rs. 3320.55 lakhs for the previous year and the net Profit of Rs. 25.31 lakhs compared to the net Profit of Rs. 97.85 lakhs for the previous year

#### **STANDALONE :**

The standalone total income was to the tune of Rs. 59.75 lakhs compared to the standalone income of Rs. 59.14 lakhs for the previous year.

#### **HUMAN RESOURCES:**

Putting employee's safety and well being is a key to the success and growth of the Company. The Company provides pandemic assistance and helps the employees to access Covid Centers set up by the government at various locations. The Company aims to attract, develop, motivate and retain

diversified talent which is critical for success of the Company. The Company through its Subsidiary's talent management strategy seeks to maximize the potential of every employee by creating purpose driven, inclusive, stimulating and rewards work environment while fueling business growth.

#### **RISK MANAGEMENT FRAMEWORK:**

Geo- political situation like Russia-Ukraine war has forced global businesses to revisit their operations, delivery, supply chains and contractual aspects. Your Company's governance structure has well-defined roles and responsibilities which enables and empowers the management to identify, assess and leverage business opportunities and manage risks effectively

To safeguard the interests of its stakeholders, the Company has implemented a comprehensive risk management framework to identify, analyse and manage business risks. The foundation for Kaiser's risk management and governance is a strong and well-built internal financial control system. The Company's risk management framework focuses on ensuring that risks are recognised and managed in a timely and reasonable manner from a top-down to the bottom-up approach, and is kept flexible to adapt to evolving business requirements

#### **ENHANCING SHAREHOLDER'S VALUE:**

Your company continues to look for ways to achieve greater business success. Whether the measure is growth, profit, return on investment, market share, or another similar way, and this means increasing shareholder value. With the concept of the value delivery process solidly in mind, your company increases shareholder values for time to time.

#### **CAUTIONARY STATEMENT:**

This document contains statements about expected future events, financial and operating results of your Company, which are forward-looking. By their nature, forward-looking statements require the Company to make assumptions and are subject to inherent risks and uncertainties. There is significant risk that the assumptions, predictions will not prove to be accurate. Readers are cautioned not to place undue reliance as several factors could cause assumptions, actual future results and events to differ materially from those expressed. Accordingly, this document is subject to the disclaimer and qualified in its entirety by the assumptions, qualifications and risk factors referred to in the management's discussion and analysis of Kaiser's Intergrated Annual Report F.Y. 2022-23

**INDEPENDENT AUDITORS' REPORT****TO THE MEMBERS OF  
KAISER CORPORATION LIMITED****REPORT ON THE AUDIT OF CONSOLIDATED FINANCIAL STATEMENTS****OPINION**

We have audited the accompanying consolidated Ind AS financial statements of M/s Kaiser Corporation Limited ("hereinafter referred to as "the Holding Company") and its subsidiary company( the holding company and its subsidiary company together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2023, the consolidated Statement of Profit and Loss (including Other Comprehensive Income) and the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Financial Statement.")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standard prescribed under Section 133 of the Act read with Companies (Indian Accounting Standard) Rules 2015 as Amended (IND AS) and the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2023, and its profit and its cash flows and the changes in equity for the year ended on that date.

**BASIS OF OPINION**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**EMPHASIS MATTER**

We draw your attention to

In case of Subsidiary company, the company has not collected/paid from/ to overseas parties aggregating to Rs.52.14 lakhs out of 433.57 lakhs and Rs. 38.73 out of 89.47 lakhs respectively, which are outstanding for recovery/payment for a period more than 3 years as at 31/03/2023. These amounts have remained outstanding beyond period stipulated under Foreign Exchange Management Act('FEMA').

**Our Opinion is not modified in respect of these matters.**

**KEY AUDIT MATTERS**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the IND AS financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report:

Revenue Recognition under IND AS 115: Revenue from contract with customers: Fixed price contracts	How our audit assessed the key matter
<p>The Company inter alia engages in Fixed-price contracts, wherein, revenue is recognized using the percentage of completion computed as per the input method based on the Company's estimate of contract costs (Refer Note 2(h) to the standalone financial statements)</p> <p>We identified revenue recognition of fixed price contracts as a Key Audit Matter since:</p> <p>a. it pertains to the major activity of the company and the recognition of the revenue depends on third party certification based on the invoices raised, and approved based on the survey.</p> <p>b. application of this standard is complex and it involves number of key judgements and estimates mainly in identifying performance obligation and recognition of revenue based on the stage of completion of the contract on certified invoices.</p>	<p>Our audit procedures on revenue recognized from fixed price contracts includes:</p> <ul style="list-style-type: none"> <li>• Obtained an understanding of the system processes and controls implemented by company for recording and computing revenue.</li> <li>• With regards to information technology: <ul style="list-style-type: none"> <li>• Assessed the IT environment which the business system operates in and tested the system controls over which the revenue is recognized;</li> </ul> </li> <li>• Tested IT controls over appropriateness of cost and revenue reports generated by the system;</li> <li>• Tested controls pertaining to allocation of resources and budgeting systems which prevent unauthorized recording or changes to costs incurred and controls relating to the estimation of contract costs required to complete the respective projects.</li> </ul>

## INFORMATION OTHER THAN FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Holding Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the consolidated financial statements and our auditor's report thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information compare with the financials statement of the subsidiary company audited by the other auditor, to the extent it relates to these entities and in doing so, place reliance on the work of other auditors and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including Other Comprehensive Income, consolidated cash flows and consolidated changes in Equity of the Company in accordance with the accounting principles generally accepted in India including the Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and amendment thereof.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of

adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, respective Board of Directors of the Companies included in the Group is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **AUDITORS' RESPONSIBILITY**

Our objectives are to obtain reasonable assurance about whether the Ind AS consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or

business activities within the group of which we are Independent Auditors and whose financial information we have audited, to express an opinion on consolidated financial statement. We are responsible for the direction, supervision and performance of the audit of the financial statement of such entities included in the consolidated financial statement of which we are Independent Auditor. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatement in Consolidated Financial Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statement may be influence. We consider quantitative materiality and qualitative factors in I. Planning the scope of our Audit work and in evaluating the result of our work and II. To evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance of the Holding company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other Comprehensive Income and the Consolidated Cash Flow Statement and Consolidated Changes in Equity dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid Ind AS Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 as amended;
  - e) On the basis of the written representations received from the directors as on March 31, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate Report in Annexure A

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Group does not have any pending litigations which would have impact on its financial position in its Consolidated Financial Statements.
- (ii) The Group has did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.
- (iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration paid or provided for by the group during the year is in accordance with the provisions of Section 197(16) of the Act.

## **ANNEXURE A**

### **REPORT ON INTERNAL FINANCIAL CONTROL OVER FINANCIAL REPORTING**

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of The Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s Kaiser Corporation Limited ("the Holding Company") as of March 31, 2023 in conjunction with our audit of the IND AS financial statements of the Company for the year ended on that date.

#### **MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The Holding Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued, by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **AUDITORS' RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future period are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## KAISER CORPORATION LIMITED

## Notes to the Consolidated Financial Statements for the year ended 31st March 2023

**1 CORPORATE INFORMATION**

Kaiser Corporation Limited ("the Holding Company") is engaged in the business of printing of labels and cartons in India. The Company was incorporated on 20 September 1993, having its registered office at Unit no-283-287 second floor F Wing Solaris-I Sakl vihar road Andheri east Mumbai. The Company has one subsidiary namely, Xicon International Limited which is engaged in offering Turnkey Project Management and Engineering services.

These financial statements of the Group for the year ended 31 March 2023 were authorized for issue by the Board of Directors on 30 May 2023.

**2 BASIS OF PREPARATION AND PRESENTATION****2.01 Basis of preparation and presentation of financial statements:**

The consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values and the provision of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations requires a different treatment.

The Ind AS are presented under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and the accounting principles generally accepted in India.

The consolidated financial statements are presented in Indian Rupee and all values are stated in Rs. Lakhs or decimal thereof, except when otherwise indicated. Wherever the amount represents '0' (zero), value construes less than Rupees five hundred.

**2.02 Key accounting estimates and judgments**

The preparation of consolidated financial statements in conformity of Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and contingent liabilities at the date of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Application of accounting policies that require critical accounting estimates and assumption having the most significant effect on the amounts recognized in the financial statements are:

- Useful life of property, plant and equipment
- Useful life of intangible assets
- Measurement of defined benefit obligation
- Valuation of financial instruments
- Provisions

**2.03 Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
  - Held primarily for the purpose of trading
  - Expected to be realized within twelve months after the reporting period, or
  - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

## KAISER CORPORATION LIMITED

## Notes to the Consolidated Financial Statements for the year ended 31st March 2023

## 2.14 Recent accounting pronouncements

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

**Balance Sheet:**

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

**Statement of profit and loss:**

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

## 3 Summary of significant accounting policies

## 3.01 Basis of consolidation

The consolidated financial statements comprise the financial statements of the Holding Company and its subsidiary (together referred to as the "Group") as at 31 March 2022. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- (i) Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee).
- (ii) Exposure, or rights, to variable returns from its involvement with the investee, and
- (iii) The ability to use its power over the investee to affect its returns  
Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:
  - a) The contractual arrangement with the other vote holders of the investee
  - b) The ability to use its power over the investee to affect its returns
  - c) The Group's voting rights and potential voting rights
  - d) The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The consolidated financial statements have been prepared on the following basis:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognized in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

## KAISER CORPORATION LIMITED

## Notes to the Consolidated Financial Statements for the year ended 31st March 2023

- (d) Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation except as stated in point (c) above.
- (e) **Investments in associate**  
Associates are all entities over which the Group has significant influence but not control or joint control. This is generally the case where the Group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting (see (f) below), after initially being recognised at cost.
- (f) **Equity method**  
Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment. When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity. Unrealised gains on transactions between the Group and its associates are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group. The carrying amount of equity accounted investments are tested for impairment.
- (g) **Changes in ownership interests**  
The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.  
  
When the Group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognised in Consolidated Profit and Loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognised in other comprehensive income in respect of that entity are accounted for as if the Group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in other comprehensive income are reclassified to Consolidated Statement of Profit and Loss.  
  
If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognised in other comprehensive income are reclassified to profit or loss where appropriate.
- (h) The excess of cost to the Parent Company of its investment in the subsidiary over the Parent Company's portion of equity of the subsidiary is recognised in the Consolidated Financial Statements as Goodwill. This Goodwill is tested for impairment at the end of the financial year. The excess of Parent Company's portion of equity over the cost of investment as at the date of its investment is treated as Capital Reserve.
- (i) The financial statements of the subsidiaries / associates used in consolidation are drawn upto the same reporting date as that of the Parent Company.

## 3.02 a) Following subsidiary companies and entities which are controlled by the Company are consolidated:

Sr. No.	Name of the Company	Country of incorporation and principal place of business	Nature of Principal activity	Proportion of equity interest		Date of becoming subsidiary
				As at 31 March 2023	As at 31 March 2022	
<b>Subsidiary companies</b>						
1	Xicon International Limited	India	Infrastructure Project	55.25%	55.25%	01.05.2011

**KAISER CORPORATION LIMITED****Notes to the Consolidated Financial Statements for the year ended 31st March 2023****3.03 Business combinations and goodwill**

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognized at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

Deferred tax assets or liabilities, and the assets or liabilities related to employee benefit arrangements are recognized and measured in accordance with Ind AS 12 Income Tax and Ind AS 19 Employee Benefits, respectively

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognized for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Group re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amounts to be recognized at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognized in other comprehensive income ("OCI") and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognizes the gain directly in equity as capital reserve, without routing the same through OCI.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognized in profit or loss. An impairment loss recognized for goodwill is not reversed in subsequent periods.

Where goodwill has been allocated to a cash generating unit and part of the operation within that unit is disposed of, the goodwill associated with the disposed operation is included in the carrying amount of the operation when determining the gain or loss on disposal. Goodwill disposed in these circumstances is measured based on the relative values of the disposed operation and the portion of the cash-generating unit retained.

Business combinations involving entities or businesses under common control shall be accounted for using the pooling of interests method - wherein:

- (a) The assets and liabilities of the combining entities are reflected at their carrying amounts.
- (b) The excess, if any, in the value of net assets and reserves to be vested in the transferee company, would be credited to the 'Capital Reserve Account'.
- (c) No adjustments are made to reflect fair values, or recognize any new assets or liabilities. The only adjustments that are made are to harmonize accounting policies. The business combination has been restated from earliest period presented.

**3.04 Foreign currencies****Functional and Presentation Currency**

Items included in the financial statements of the Group are measured using the currency of the primary economic environment in which the Group operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Group's functional and presentation currency.

**Transactions and Balances**

Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions, and from translation of monetary assets and liabilities at the reporting date exchange rates are recognised in the Consolidated Statement of Profit and Loss except in case of certain long term foreign currency monetary items where the treatment is as under:

Non monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rates at the dates of the transaction.

Foreign exchange gains and losses are presented in the Consolidated Statement of Profit and Loss on a net basis.

## KAISER CORPORATION LIMITED

## Notes to the Consolidated Financial Statements for the year ended 31st March 2023

**3.05 Fair value measurement**

**Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.** The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
  - In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the Group.

**The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.**

**A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.**

**The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.**

**All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:**

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

**For assets and liabilities that are recognized in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.**

**The Group's Management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.**

**At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Group's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.**

**For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.**

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

**3.06 Revenue recognition**

**Revenue from contracts with customer is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services**

**Ind AS 115 "Revenue from contracts with Customers" provides a control-based revenue recognition model and provides a five step application approach to be followed for revenue recognition.**

- A) Identify the contract(s) with customer;
- B) Identify the performance obligations;
- C) Determine the transaction price;
- D) Allocate the transaction price to the performance obligations;
- E) Recognise revenue when or as an entity satisfies performance obligation.

**Revenue from operations****Sale of goods**

Revenue from sale of goods is recognised net of indirect taxes.

**Erection and commissioning, Claims including escalation charges and Contractual liquidated damages**

**Revenue on erection and commissioning of contracts is recognised on the 'Percentage of completion method'. Claims including escalation are recognised as revenue on client's acceptance or evidence of acceptance. Contractual liquidated damages payable for delays in completion of contract work or for other causes are accounted for at costs when deducted, and/or when such delays and causes are attributable to the Company.**

**3.07 Other income:****Interest income**

**Under Ind AS109, Interest income is recognised by applying the Effective Interest Rate (EIR) to the gross carrying amount of financial assets other than credit-impaired assets and financial assets classified as measured at fair value through Profit and loss (FVTPL)**

Rental income arising from operating lease on investment property is accounted for on a straight-line basis over the lease term.

**Dividend Income**

Dividend income from investments is recognised when the shareholders' rights to receive payment have been established.

## KAISER CORPORATION LIMITED

## Notes to the Consolidated Financial Statements for the year ended 31st March 2023

## 3.08 Taxes

## i) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the end of the reporting period in the countries where the Company operates and generates taxable income.

Current income taxes are recognized in profit or loss except to the extent that the tax relates to items recognized outside profit or loss, either in other comprehensive income or directly in equity. Management periodically evaluates position taken in the tax returns with respect to situations in which applicable tax regulations are subjected to interpretation and establishes provisions where appropriate.

## ii) Deferred income tax

Deferred income tax assets and liabilities are recognized for all temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred income tax assets is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax loss can be utilized.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

iii) The Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the Minimum Alternative Tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

## 3.09 Property, plant and equipment

Property, plant and equipment is stated at cost less accumulated depreciation and where applicable accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. Purchased software that is integral to the functionality of the related equipment is capitalized as part of that equipment.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

**Subsequent Cost**

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to Consolidated Statement of Profit and Loss during the reporting period in which they are incurred.

Capital Work in Progress (CWIP) includes cost of property, plant and equipment under installation / under development, as at balance sheet date. All project related expenditure viz. civil works, machinery under erection, construction and erection materials, preoperative expenditure incidental / attributable to the construction of projects, borrowing cost incurred prior to the date of commercial operations and trial run expenditure are shown under CWIP. These expenses are net of recoveries and income (net of tax) from surplus funds arising out of project specific borrowings.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Property, Plant and Equipment are eliminated from the Consolidated Financial Statements, either on disposal or when retired from active use.

Gains and losses on disposals or retirement of assets are determined by comparing proceeds with carrying amount. These are recognized in the Consolidated Statement of Profit and Loss.

**Depreciation**

Property, Plant and Equipment have been depreciated under straight line method (except in case of Xicon International Limited, the depreciation has been provided on written down value method) as per the useful life and in the manner prescribed in Schedule II to the Act.

**KAISER CORPORATION LIMITED**  
**Notes to the Consolidated Financial Statements for the year ended 31st March 2023**

**3.10 Intangible assets**

Intangible assets that are acquired by the Company, which have finite useful lives, are measured at cost less accumulated amortisation and accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the intangible asset.

**Subsequent expenditure**

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, are recognized in profit or loss as incurred.

Amortisation of intangible assets with finite useful lives:

Asset class	Useful life as per management	Amortisation method
Computer software	3- 6 years	Amortisation on straight line basis

Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

**Derecognition of assets**

An item of intangible asset and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the income statement when the asset is derecognized.

**Amortisation Method:**

Computer software is amortized under the straight line method over a period of 3 - 6 years for which the Group expects the benefits to accrue.

**3.11 Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

**3.12 Inventories:**

- i) Inventories are valued at weighted average method or net realizable value whichever is lower. Obsolete, defective and unserviceable stocks are provided for, whenever required.
- ii) Work in process includes material cost, cost of conversion and other costs incurred in bringing them to their present location and condition.
- iii) Stores and spares are charged / written off to the manufacturing and operating expenses in the year of purchase.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

**3.13 Provisions, contingent liabilities and contingent assets**

Provisions for legal claims and returns are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is probable that an outflow of resources will not be required to settle the obligation. However, if the possibility of outflow of resources, arising out of present obligation, is remote, it is not even disclosed as contingent liability.

A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Group does not recognize a contingent liability but discloses its existence in the notes to Consolidated Financial Statements. A Contingent asset is not recognized in Consolidated Financial Statements, however, the same is disclosed where an inflow of economic benefit is probable.

## KAISER CORPORATION LIMITED

## Notes to the Consolidated Financial Statements for the year ended 31st March 2023

**3.14 (a) Impairment of financial assets**

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category.

For financial assets other than trade receivables, as per Ind AS 109, the Group recognizes 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial assets increases significantly since its initial recognition. The Group's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognized in Statement of Profit and Loss.

**(b) Impairment of non-financial assets**

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Group's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

**3.15 Financial instruments****Financial assets****Initial recognition and measurement**

Financial assets are recognized when the Group becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognized at fair value. In case of Financial assets which are recognized at fair value through profit and loss (FVTPL), its transaction cost are recognized in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

**Subsequent measurement**

Financial assets are subsequently classified as measured at

- **amortized cost:** Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortized cost using the effective interest rate ('EIR') method less impairment, if any. The amortization of EIR and loss arising from impairment, if any is recognized in the Statement of Profit and Loss.
- **fair value through profit and loss (FVTPL):** A financial asset not classified as either amortized cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognized as 'other income' in the Statement of Profit and Loss.
- **fair value through other comprehensive income (FVOCI):** Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Group changes its business model for managing financial assets.

**Debt Instruments:**

Debt instruments are initially measured at amortized cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

- (a) Measured at amortized cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortized cost using the effective interest rate ('EIR') method less impairment, if any. The amortization of EIR and loss arising from impairment, if any is recognized in the Statement of Profit and Loss.
- (b) Measured at fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.
- (c) Measured at fair value through profit or loss: A financial asset not classified as either amortized cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognized as 'other income' in the Statement of Profit and Loss.

**KAISER CORPORATION LIMITED**  
**Notes to the Consolidated Financial Statements for the year ended 31st March 2023**

**Equity Instruments:**

All investments in equity instruments classified under financial assets are initially measured at fair value, the Group may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Group makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognized as other income in the Statement of Profit and Loss unless the Group has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognized in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognized as 'other income' in the Statement of Profit and Loss.

**Trade Receivables and Loans:**

Trade receivables and loans are initially recognized at fair value. Subsequently, these assets are held at amortized cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

**Derecognition**

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

**Financial Liabilities:****Initial recognition and measurement**

Financial liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognized at fair value and subsequently, these liabilities are held at amortized cost, using the effective interest method.

**Subsequent measurement**

Financial liabilities at amortized cost: After initial measurement, such financial liabilities are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the Consolidated Statement of Profit and Loss.

**(a) Borrowings:**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Consolidated Statement of Profit and Loss over the period of the borrowings using the effective interest rate method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

**(b) Trade and Other Payables:**

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest rate method.

**Derecognition**

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability.

The difference in the respective carrying amounts is recognized in the Consolidated Statement of Profit and Loss.

**Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

## KAISER CORPORATION LIMITED

## Notes to the Consolidated Financial Statements for the year ended 31st March 2023

## 3.16 Employee Benefits

## i) Defined contribution plans (Provident Fund and employee state insurance scheme)

In accordance with Indian Law, eligible employees receive benefits from Provident Fund, which is defined contribution plan. Both the employee and employer make monthly contributions to the plan, which is administrated by the Government authorities, each equal to the specific percentage of employee's basic salary. The Group has no further obligation under the plan beyond its monthly contributions. Obligation for contributions to the plan is recognized as an employee benefit expense in the Statement of Profit and Loss when incurred.

## ii) Defined benefit plans (Gratuity)

The Group has a defined benefit plan namely Gratuity for all its employees in the form of Group Gratuity -cum- Life Assurance Scheme. The liability for the defined benefit is determined on the basis of valuation made under the scheme at year end, which is calculated using the projected unit credit method.

Gains and losses through remeasurement of the defined benefits obligations is reflected in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

## iii) Short term benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as a related service provided. A liability is recognized for the amount expected to be paid under short term cash bonus or profit sharing plans if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

## iv) Leave encashment

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service. Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date. The expected costs of these benefits are accrued over the period of employment using the same accounting methodology as used for defined benefit retirement plans. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to the statement of profit and loss in the period in which they arise. These obligations are valued annually by independent qualified actuaries.

## v) Code on Social Security, 2020

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company and its Indian subsidiaries will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

## 3.17 Lease

## As a lessee:

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Group is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Group is reasonably certain not to exercise that option. In assessing whether the Group is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Group revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

## As a lessor:

Leases under which the Group does not transfer substantially all the risks and rewards of ownership are classified as operating leases. Rental income arises from operating leases is accounted for on straight-line basis over the lease term, and is included in rental income in Statement of Profit and Loss, unless the increase is in line with expected general inflation, in which case lease income is recognised based on contractual terms. Contingent rents are recognised as revenue in the period in which they are earned.

## KAISER CORPORATION LIMITED

## Notes to the Consolidated Financial Statements for the year ended 31st March 2023

**3.18 Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Group's cash management.

**3.19 Earnings per share**

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Group by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**3.20 Segment Reporting:**

Based on "Management Approach" as defined in Ind AS 108 -Operating Segments, the Chief Operating Decision Maker evaluates the Company's performance and allocates the resources based on an analysis of various performance indicators by business segments.

**Segment Policies:**

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole. Common allocable costs are allocated to each segment on an appropriate basis.

**30 SEGMENT INFORMATION**

The Group had two primary business segments which are as follows:

- 1) **Kaiser Corporation Limited**  
Printing of labels, packaging materials, Magazines and articles of stationery.
- 2) **Xicon International Limited**  
Turnkey Project Management and Engineering services.

## 45 Critical accounting judgements and sources of estimation uncertainties

The preparation of the financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the accompanying disclosures including the disclosure of contingent liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

Detailed information about each of these estimates, assumptions and judgements is included in relevant notes together with information about the basis of calculation for each affected line item of financial statements. However, the following are the key assumptions and other key sources of estimation uncertainty concerning the future, at the end of the reporting year that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial years.

## (i) Useful lives of property, plant and equipment:

The Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting year. The financial effect of this reassessment, assuming the assets are held until the end of their estimated useful lives, is an increase/decrease the depreciation expense in the current financial year and future years.

## (ii) Fair value measurements and valuation processes:

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company uses appropriate valuation techniques for valuation. Their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair value.

## KAISER CORPORATION LIMITED

## Notes to the Consolidated Financial Statements for the year ended 31st March 2023

**(iii) Estimation of defined benefit obligation:**

The cost of defined benefits plan including other post employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All the assumptions are reviewed at each reporting date.

**iv) Impairment of non-financial assets:**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash flows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

**v) Impairment of financial assets:**

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company used judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

**vi) Lease**

The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised. The Company has several lease contracts that include extension and termination options. The Company applies judgement in evaluating whether it is reasonably certain to exercise the option to renew or terminate the lease. It considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate.

**46 Disclosure pursuant to Ind AS - 11 'Construction Contracts' relating to subsidiary company**

(Amount in Lakhs)

Particulars	For the year ended 31 March 2023	For the year ended 31 March 2022
<b>Details of contract revenue</b>		
Contract revenue recognised during the year	977.73	1,651.74
Aggregate amount of contract cost recognised during the year	558.34	1,216.02

Retention money for contracts in progress	28.99	135.77
Gross amount due from customers for contract work (asset)	618.77	369.24

**47** Balances of certain trade receivables, trade payables and other financial assets are subject to confirmation / reconciliation, if any. The management does not expect any material difference affecting the financial statements on such reconciliation / adjustments.

**48** In the opinion of management, trade receivables, loans and other financial assets have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated in the balance sheet. The provision for depreciation and all known liabilities is adequate and not in excess of the amount reasonably stated.

**49 Code on Social Security, 2020:**

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which,

**KAISER CORPORATION LIMITED**  
**Notes to the Consolidated Financial Statements for the year ended 31st March 2023**

the Code becomes effective and the related rules to determine the financial impact are published.

**50 Reconciliation between the opening and closing balances in the balance sheet for liabilities and financial assets arising from financing activities:**

**INDEPENDENT AUDITORS' REPORT****TO THE MEMBERS OF  
KAISER CORPORATION LIMITED****REPORT ON THE FINANCIAL STATEMENTS****OPINION**

We have audited the accompanying Standalone Ind AS financial statements of M/s Kaiser Corporation Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income) and the Cash Flow Statement and Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the Company as at March 31, 2023, and its profit and its cash flows and the changes in equity for the year ended on that date.

**BASIS OF OPINION**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**KEY AUDIT MATTERS**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the IND AS financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no the key audit matters to be communicated in our report:

**INFORMATION OTHER THAN FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income cash flows and changes in Equity of the Company in accordance with the accounting principles generally accepted in India including the Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **AUDITORS' RESPONSIBILITY**

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in Financial Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statement may be influence. We consider quantitative materiality and qualitative factors in I. Planning the scope of our Audit work and in evaluating the result of our work and II. To evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss including other Comprehensive Income and the Cash Flow Statement and Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 including IndAS;
- e) On the basis of the written representations received from the directors as on March 31, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate Report in Annexure B
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - (i) The Company does not have any pending litigations which would have impact on its financial position in its Standalone Financial Statements.
  - (ii) The Company has did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - (iii) There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.
- (iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.
- h) With respect to the other matters to be included in the Auditor's Report in accordance

with the requirements of Section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration paid or provided for by the company during the year is in accordance with the provisions of Section 197(16) of the Act.

- i) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023

**"ANNEXURE A" TO THE INDEPENDENT AUDITORS' REPORT**

Referred to in paragraph 1 under the heading „Report on Other Legal & Regulatory Requirement“ of our report of even date to the financial statements of the Company for the year ended March 31, 2023, we report the following:

- 1) a)(A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;  
(B) The company is maintaining proper records showing full particulars of intangible assets.  
(b) The Property, Plant and Equipment have been physically verified by the management annually, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, the Property, Plant and Equipment has been physically verified by the management during the year and no material discrepancies between the books records and the Property, Plant and Equipment have been noticed.  
(c) According to the information and explanations given to us, the records examined by us, the company does not have any immovable properties and hence clause 3(i)(c) of this order is not applicable to the company.  
(d) According to the information and explanations given to us, the records examined by us no proceedings have been initiated or are pending against the company for holding any Benami property under the "Benami Transactions (Prohibition) Act, 1988 and Rules made thereunder.
- 2) (a) According to the information and explanations given to us the inventory has been physically verified by the management at reasonable intervals. In our opinion, the frequency of such verification is reasonable. According to the information and explanations given to us and as examined by us, no material discrepancies of 10% or more in the aggregate for each class of inventory was noticed on physical verification of stocks by the management as compared to book records on such verification.  
(b) According to the information and explanations given to us and the records examined by us, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during and hence clause 3(ii)(b) of this order is not applicable to the company.
- 3) According to information and explanation given to us and the records examined by us the company has not made investments in nor provided any guarantee or security or granted any loan, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register required under section 189 of the Companies Act, 2013. Accordingly, paragraph 3 (iii) (a) to (f) of the order is not applicable.
- 4) According to information and explanation given to us and the records examined by us the company has neither made any investments nor has it given loans or provided any guarantee or security as specified under section 185 of the Companies Act, 2013 ("the Act") and the company has provided guarantee in respect of the loan taken by the subsidiary company. Further in our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185

and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security.

- 5) In our opinion and according to the information and explanations given to us and the records examined by us, the company has not accepted any deposits or amounts which are deemed to be deposits from the public and accordingly paragraph 3 (v) of the order is not applicable.
- 6) In our opinion and according to the information and explanations given to us and the records examined by us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company.
- 7)
  - (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2023 for a period of more than six months from the date on when they become payable.
  - (b) According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2023 for a period of more than six months from the date on when they become payable.
- 8) In our opinion and according to the information and explanations given to us and the records examined by us, there are no such transactions which are not recorded in the books of account and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- 9)
  - (a) In our opinion and according to the information and explanations given to us and the records examined by us, the Company has no borrowings from banks, financial institution, government or by way of debenture . Accordingly para 3(ix)(a) to (f) is not applicable to the company.
- 10)
  - (a) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments and term Loans. Accordingly, the provisions of clause 3 (x) of the Order are not applicable to the Company and hence not commented upon.
  - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made private placement of shares or debenture during the year and hence compliance with the requirements of section 42 and section 62 of the Companies Act, 2013 does not arise.
- 11)
  - (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, we report that no fraud by the Company or on the company has been noticed or reported during the year.
  - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no report under sub-Section (12) of Section

143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules 2014 with the Central Government.

- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no whistle-blower complaints has been received during the year by the Company. Accordingly, paragraph 3 (xi)(c) of the order is not applicable.
- 12) According to the information and explanations given to us, the Company is not a Nidhi Company and accordingly, paragraph 3 (xii) of the order is not applicable to the Company.
- 13) According to the information and explanations given to us and based on our examination of the records of the company, transactions with the related parties are in compliance with section 177 and 188 of the Act. Where applicable, the details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- 14) (a) According to the information and explanations given to us and based on our examination of the records of the company the company has an internal audit system commensurate with the size and nature of its business.
- (b) The reports on the Internal Auditor of the company for the period under audit has been considered and taken into consideration. During the period under Audit no adverse remark were found in the report of the Internal Auditor.
- 15) According to the information and explanations given to us and based on our examination of the records of the company, the company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the order is not applicable.
- 16) (a) According to the information and explanations given to us and based on our examination of the records of the company, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934,
- (b) According to the information and explanations given to us and based on our examination of the records of the company, the Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (COR) from the Reserve Bank of India as per the Reserve Bank of India Act 1934.
- (c) According to the information and explanations given to us and based on our examination of the records of the company, the Company, the Company is not a Core Investment Company (CIC) as defined under the Regulations by the Reserve Bank of India.
- (d) According to the information and explanations given to us and based on our examination of the records of the company, the company has no CIC as part of the Group
- 17) According to the information and explanations given to us and based on our examination of the records of the company, the Company has not incurred cash losses in the Financial Year and in the immediately preceding financial year.
- 18) According to the information and explanations given to us and based on our examination

of the records of the company, there has not been any resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

- 19) According to the information and explanations given to us and based on our examination of the records of the company and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20) According to the information and explanations given to us and based on our examination of the records of the company, section 135 of the Companies Act is not applicable to the company, accordingly reporting under clause (xx) of the order is not applicable.
- 21) According to the information and explanations given to us and based on our examination of the records of the company, there have been no qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO) reports of the companies included in the consolidated financial statements.

**ANNEXURE B****REPORT ON INTERNAL FINANCIAL CONTROL OVER FINANCIAL REPORTING**

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of The Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **M/s Kaiser Corporation Limited** ("the Company") as of March 31, 2023 in conjunction with our audit of the IND AS financial statements of the Company for the year ended on that date.

**MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued, by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**AUDITORS' RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A

company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future period are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# KAISER CORPORATION LIMITED

## Notes Forming Part of Standalone Financial Statements for the year ended 31st March 2023

### 1 CORPORATE INFORMATION

Kaiser Corporation Limited ("the Company") is engaged in the business of "Printing of labels and cartons, Magazines and Articles of Stationery" in India. The Company was incorporated on 20 September 1993, having its registered office at Unit no-283-287 second floor F Wing Solaris-I saki vihar road Andheri east Mumbai .The Company has one subsidiary namely, Xicon International Limited which is engaged in offering Turnkey Project Management and Engineering services.

The Standalone financial statements for the year ended 31 March 2023 were authorized for issue by the Board of Directors on 30 May 2023.

### 2 BASIS OF PREPARATION AND PRESENTATION

#### 2.01 Basis of preparation of financial statements

The standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis and on the basis of accounting principle of a going concern in accordance with generally accepted accounting principles (GAAP). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Ind AS are presented under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendments Rules issued thereafter.

The financial statements are presented in Indian Rupee and all values are stated in Rs. Lakhs or decimal thereof, except where otherwise indicated. Wherever the amount represents '0' (zero), value construes less than Rupees five hundred.

#### 2.02 Use of estimates and judgement

The preparation of financial statements in conformity of Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and contingent liabilities at the date of financial statements, income and expenses during the year. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Application of accounting policies that require critical accounting estimates and assumption having the most significant effect on the amounts recognised in the financial statements are:

Valuation of financial instruments  
Useful life of property, plant and equipment  
Actuarial gain/loss on employee benefit plans  
Provisions

#### 2.03 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
  - Held primarily for the purpose of trading
  - Expected to be realized within twelve months after the reporting period, or
  - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

## KAISER CORPORATION LIMITED

### Notes Forming Part of Standalone Financial Statements for the year ended 31st March 2023

#### 2.04 Recent accounting pronouncements

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable from 01 April 2020.

##### Other Changes to Ind AS

Following changes of Ind AS have also become applicable from financial year beginning 1 April 2019. However, the adoption of these changes does not have any impact on the financial statements as there are no transactions covered under these amendments:

Appendix C to Ind AS 12 Uncertainty over Income Tax Treatments

Amendments to Ind AS 109: Prepayment Features with Negative Compensation

Amendment to Ind AS 19 – plan amendment, curtailment or settlement

Amendments to Ind AS 28: Long-term interests in associates and joint ventures

Amendments to Ind AS 103: Party to a Joint Arrangements obtains control of a business that is a Joint Operation

Amendments to Ind AS 111: Joint Arrangements

Amendments to Ind AS 12 Income Taxes

Amendments to Ind AS 23: Borrowing Costs

### 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 3.01 Property, plant and equipment:

Property, plant and equipment is stated at cost less accumulated depreciation and where applicable accumulated impairment losses. Property, plant and equipment cost include expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. Purchased software that is integral to the functionality of the related equipment is capitalized as part of that equipment.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

##### Subsequent Cost

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied with these will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized and charged to the statement of Profit and Loss. All other costs are recognized in the Statement of Profit and Loss as and when incurred.

##### Depreciation:

Depreciation on property plant & equipments is calculated on straight line method over the useful life as specified by Schedule II to the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

##### Derecognition of assets

An item of property plant & equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the income statement when the asset is derecognized.

#### 3.02 Intangible assets

Intangible assets that are acquired by the Company, which have finite useful lives, are measured at cost less accumulated amortisation and accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the intangible asset.

##### Subsequent expenditure

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, are recognized in profit or loss as incurred.

Amortisation of intangible assets with finite useful lives:

Asset class	Useful life as per management	Amortisation method
Computer software	6 years	Amortisation on straight line basis

Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

##### Derecognition of assets

An item of intangible asset and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the income statement when the asset is derecognized.

## KAISER CORPORATION LIMITED

### Notes Forming Part of Standalone Financial Statements for the year ended 31st March 2023

#### 3.03 Revenue recognition:

Revenue from contracts with customer is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services

Ind AS 115 "Revenue from contracts with Customers" provides a control-based revenue recognition model and provides a five step application approach to be followed for revenue recognition.

- A) Identify the contract(s) with customer;
- B) Identify the performance obligations;
- C) Determine the transaction price;
- D) Allocate the transaction price to the performance obligations;
- E) Recognise revenue when or as an entity satisfies performance obligation.

#### Revenue from operations:

##### Sale of goods

Revenue from sale of goods is recognised net of indirect taxes.

##### Consultancy income

Revenue from consultancy income is recognised over a period of time.

#### 3.04 Other income:

##### Interest income

Under Ind AS109, Interest income is recognised by applying the Effective Interest Rate (EIR) to the gross carrying amount of financial assets other than credit-impaired assets and financial assets classified as measured at fair value through Profit and loss (FVTPL)

##### Financial guarantee income

Financial guarantee income is recognised on straight line basis over period of guarantee.

#### 3.05 Inventories:

- i) Inventories are valued at weighted average method or net realizable value whichever is lower. Obsolete, defective and unserviceable stocks are provided for, whenever required.
- ii) Work in process includes material cost, cost of conversion and other costs incurred in bringing them to their present location and condition.  
Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

#### 3.06 Retirement benefits:

##### i) Defined contribution plan (Provident Fund):

In accordance with Indian Law, eligible employees receive benefits from Provident Fund, which is defined contribution plan. Both the employee and employer make monthly contributions to the plan, which is administrated by the Government authorities, each equal to the specific percentage of employee's basic salary. The Company has no further obligation under the plan beyond its monthly contributions. Obligation for contributions to the plan is recognized as an employee benefit expense in the Statement of Profit and Loss when incurred.

##### ii) Defined benefit plans:

###### a) Gratuity

The Company has a defined benefit plan namely Gratuity for all its employees in the form of Group Gratuity -cum- Life Assurance Scheme. The liability for the defined benefit is determined on the basis of valuation made under the scheme at year end, which is calculated using the projected unit credit method. Gains and losses through remeasurement of the defined benefits obligations is reflected in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

###### b) Short term benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as a related service provided. A liability is recognized for the amount expected to be paid under short term cash bonus or profit sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

## KAISER CORPORATION LIMITED

### Notes Forming Part of Standalone Financial Statements for the year ended 31st March 2023

#### c) Leave encashment

The employees of the Company are entitled to leave as per the leave policy of the Company. The liability in respect of unutilized leave balances is provided at the end of year and charged to the statement of profit and loss.

#### d) Code on Social Security, 2020

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company and its Indian subsidiaries will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

### 3.07 Accounting for taxes on income:

#### i) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the end of the reporting period in the countries where the Company operates and generates taxable income.

Current income taxes are recognized in profit or loss except to the extent that the tax relates to items recognized outside profit or loss, either in other comprehensive income or directly in equity. Management periodically evaluates position taken in the tax returns with respect to situations in which applicable tax regulations are subjected to interpretation and establishes provisions where appropriate.

#### ii) Deferred income tax

Deferred income tax assets and liabilities are recognized for all temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred income tax assets is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax loss can be utilized.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

iii) The Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the Minimum Alternative Tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

### 3.08 Lease:

#### As a lessee:

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

### 3.09 Impairment of assets:

#### Financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in the Statement of profit or loss.

## KAISER CORPORATION LIMITED

### Notes Forming Part of Standalone Financial Statements for the year ended 31st March 2023

#### Non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

#### 3.10 Provisions, contingent liabilities and contingent assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The contingent liability is not recognized in books of account but its existence is disclosed in financial statements.

A contingent assets, where an inflow of economic benefits is probable, an entity shall disclose a brief description of the nature of the contingent assets at the end of the reporting period, and, where practicable, an estimate of their financial effect, measured using the principles set out for provisions in Ind AS 10.

#### 3.11 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or

In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

## KAISER CORPORATION LIMITED

### Notes Forming Part of Standalone Financial Statements for the year ended 31st March 2023

#### 3.12 Financial instruments

##### Financial assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Financial assets are

**Amortised cost:** Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortization of EIR and loss arising from impairment, if any is recognized in the Statement of Profit and Loss.

**Fair value through profit and loss (FVTPL):** A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognized as 'other income' in the Statement of Profit and Loss.

**Fair value through other comprehensive income (FVOCI):** Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

##### Trade Receivables and Loans:

Trade receivables are initially recognized at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

##### Debt Instruments:

Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

- (a) **Measured at amortised cost:** Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.
- (b) **Measured at fair value through other comprehensive income:** Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.
- (c) **Measured at fair value through profit or loss:** A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

##### Equity Instruments:

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

##### Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

##### Financial Liabilities:

###### Initial recognition and measurement

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. All financial liabilities are recognised initially at fair value and in the case of borrowings, trade payables and other financial liabilities, net of directly attributable transaction costs. The Company's financial liabilities include borrowings, trade payables and other financial liabilities.

## KAISER CORPORATION LIMITED

### Notes Forming Part of Standalone Financial Statements for the year ended 31st March 2023

#### Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

**(a) Borrowings:** Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the EIR method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

#### (b) Trade and Other Payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method

#### (c) Financial Guarantee Obligations:

The fair value of financial guarantees is determined as the present value of the difference in net cash flows between the contractual payments under the debt instrument and the payments that would be required without the guarantee, or the estimated amount that would be payable to a third party for assuming the obligations. Where guarantees in relation to loans or other payables of subsidiaries, joint ventures or associates are provided for no compensation, the fair values as on the date of transition are accounted for as contributions and recognised as part of the cost of the equity investment.

#### Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability.

The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

#### Offsetting Financial Instruments:

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

#### 3.13 Investments in subsidiaries

Investments in subsidiaries are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, the difference between net disposal proceeds and carrying amounts are recognised in the Statement of Profit and Loss.

#### 3.14 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Company's cash management.

#### 3.15 Earnings per share

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

#### 3.16 Segment Reporting:

Based on "Management Approach" as defined in Ind AS 108 -Operating Segments, the Chief Operating Decision Maker evaluates the Company's performance and allocates the resources based on an analysis of various performance indicators by business segments.

#### Segment Policies:

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole. Common allocable costs are allocated to each segment on an appropriate basis.

## KAISER CORPORATION LIMITED

### Notes Forming Part of Standalone Financial Statements for the year ended 31st March 2023

#### 24 Contingent liabilities

The Company has provided corporate guarantees to lending banks on behalf of its subsidiary Company. As on Balance Sheet date, the subsidiary has drawn an amount of Rs. 1299.80 lacs (PY Rs. 516.85 lakhs) from the lending Banks.

#### 25 Capital Commitment

The Company does not have any capital commitment as at 31 March 2023 (31 March 2022: Nil).

#### 26 Related party disclosures

##### i) Related party relationships:

#### 35 Critical accounting judgements and sources of estimation uncertainties

The preparation of the financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the accompanying disclosures including the disclosure of contingent liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

Detailed information about each of these estimates, assumptions and judgements is included in relevant notes together with information about the basis of calculation for each affected line item of financial statements. However, the following are the key assumptions and other key sources of estimation uncertainty concerning the future, at the end of the reporting year that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial years.

##### (i) Useful lives of property, plant and equipment:

The Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting year. The financial effect of this reassessment, assuming the assets are held until the end of their estimated useful lives, is an increase/decrease the depreciation expense in the current financial year and future years.

##### (ii) Estimation of defined benefit obligation:

The cost of defined benefits plan including other post employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All the assumptions are reviewed at each reporting date.

## KAISER CORPORATION LIMITED

### Notes Forming Part of Standalone Financial Statements for the year ended 31st March 2023

#### iii) Impairment of non-financial assets:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash flows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

#### iv) Impairment of financial assets:

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company used judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

- 36 In the opinion of management, trade receivables and other financial assets have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated in the balance sheet. The provision for depreciation and all known liabilities is adequate and not in excess of the amount reasonably stated.
- 37 **Code on Social Security, 2020:**  
The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.
- 38 There was no impairment loss on the fixed assets on the basis of review carried out by the management in accordance with Indian Accounting Standard (Ind AS)-36 'Impairment of Assets'.
- 39 Management has conducted the physical verification of Inventories and provide the management representation for the same. The company has not taken any credit facilities from bank.
- 40 The company has not done any transaction with companies struck off under section 248 Companies Act 2013.
- 41 As per the management and those charge with the Governance has given declaration that the company is not declared wilful defaulter by any bank or financial institution or other lender.
- 42 **Events after the end of the reporting date**  
No subsequent event has been observed which may required an adjustment to the statement of financial position.
- 43 Previous years' figures have been regrouped / rearranged, wherever necessary to conform to the current year's presentation.
